

AXN | HEAVY DUTY

WARRANTY STATEMENT

MECHANICAL SUSPENSION

AXN Heavy Duty warrants material and workmanship for its Trailer Mechanical Suspension models from the date of vehicle manufacture when properly installed, operated and maintained in accordance with AXN recommendations.

GENERAL WARRANTY INFORMATION: PLEASE REVIEW PRODUCT-SPECIFIC COVERAGE BELOW.

Valid warranty claims will be covered for parts and labor as follows:

- Replacement of warrantable parts will be replaced, repaired or reimbursed at the discretion of AXN.
- Warranty claim must be approved by AXN prior to warranty repair or replacement of components.
- The reimbursement of any parts are limited to the suggested list price.
- Coverage of labor will be based upon standard repair times (SRT's) as published by AXN at regional labor rates.
- All claims must be submitted within 60 days of repair, by submitting a warranty claim request form with pertinent information such as serial number, trailer manufacture date, etc. All failed components must be held for potential review by, or submission to, AXN for inspection and evaluation. Any freight costs for components requested by AXN must be paid by the claimant, and will be reimbursed for valid claims.

Exclusions and Limitations:

- Warranty will not apply to improperly installed Trailer Mechanical Suspensions.
- Any use, repair or modification of AXN Trailer Mechanical Suspensions that is not in accordance with AXN recommendations, applications and normal usage will void warranty.
- Lack of reasonable and proper maintenance.
- Warranty is limited to the original owner.
- In no event shall AXN be responsible for incidental claims including, but not limited to items such as accidents, abuse, downtime, towing, and cargo loss.
- Wearable components.
- Damage resulting from corrosion.
- Leaf Springs - Leaf Spring manufacturers warranty applies.
- For vehicles that operate full or part time outside of the United States and Canada, a 1 year/unlimited parts only warranty applies.

AXN HEAVY DUTY COMPONENT	LINEHAUL APPLICATION ¹		GENERAL APPLICATIONS ²	
	PARTS (yrs/mi)	LABOR (yrs/mi)	PARTS (yrs/mi)	LABOR (yrs/mi)
Trailer Mechanical Suspension	5/500k	1/100k	5/500k	1/100k

1 LINEHAUL APPLICATION is typically high-mileage operation (over 60,000 miles/year); well maintained highways of concrete or asphalt construction; greater than 30 miles between stops.

2 GENERAL APPLICATIONS are typically lower mileage operations (less than 60,000 miles/year); generally on-road service with less than 10% off-road; average of 3 miles between stops.

General Disclaimer of Warranty: This warranty is in lieu of all other warranties or conditions, expressed, implied or statutory including any implied warranty of merchantability or fitness for particular purpose.
